This exciting young bull is the real deal. He is a long sided, deep bodied bull who has a pile of horn for his age. He has 3 over 90" TTT and 15 over 80" TTT animals in his pedigree. His color is the cherry on top, he is a deep red brindle just like his sire. Zoom combines the low lateral horn set and body size of Cut N Dried with a big total horned cow out of RC Tsunami 2. He was 43" TTT at 12 months old.

**TTT:** 82.8750 on 10/26/2024
